MEMORANDUM FOR:

U.S. Army

SUBJECT : Commendation

1. It has been brought to my attention that you, through your alertness and professionalism, are responsible for one of the major intelligence achievements of the year here at the National Photographic Interpretation Center. Your attention to detail and acute awareness of national requirements opened the way to the analysis of a strategic subject of the highest interest to our national leaders.

2. I take great pleasure in commending you for this achievement. Your expertise and diligence has made you one of the outstanding members of the NPIC team. A copy of this commendation will be forwarded for inclusion in your permanent records.
